

## Wednesday doubles league

EGM 15<sup>th</sup> January 2025

**Location :** party room opposite bowling lanes

**Proposed agenda by David Hill**

**Seconded by Steve Rollings**

**1.a** In light of the league secretary stepping down I hereby present a proposal accordance with league constitution that all duties pass to league president and treasure for the remainder of the session, until such a point as a new sectary can be appoint at AGM for session 2025/6

**2.** Owing to time restraints and standing of the league I suggest dropping both team and singles knockout competition this session in order to focus on the league proper

**3.** in the absence of team 14 (That's Ball Split) I propose that any remaining games played by other teams against That's Ball Split are played on a team forfeiture as per section **11.1** of the constitution basis

**11.1 Forfeiture.** If a team fails to bowl any match and has not applied for a postponement as in the Postponement section, then the opposition team attending must bowl all games as if contested. The attending team, present to bowl, must bowl within 90% of their own individual averages and their combined team league average, excluding handicap.

5.outstanding postponements

With have to outstanding postponement

**Week 3** = That's Ball Split vs Bowling Stones

(if agreed at EGM this will be played under proposed **Forfeiture** match conditions as outlined in point 3 of this agenda)

**Week 12** = Drifter vs threes a pair (this I suggest is played on 19<sup>th</sup> feb half term week, teams to confirm)

**4.** We must confirm with the Centre whether they will allow us to have 13 teams rather than 14, if not we will have to pay the £26 from league funds. If that's the case, we may (needs checking) be able to draw from any monies due to the default team and players.
