

Notes from

Wednesday doubles league

EGM 15th January 2025

Location : party room opposite bowling lanes

Proposed agenda by David Hill

Seconded by Steve Rollings

1.a In light of the league secretary stepping down I hereby present a proposal accordance with league constitution that all duties pass to league president and treasure for the remainder of the session, until such a point as a new secretary can be appointed at AGM for session 2025/6

Outcome

David Hill was voted in as league secretary, Rowena Gallagher has stepped up from vice president to the role President and Steve Rollings will continue as Treasurer.

2. Owing to time restraints and standing of the league I suggest dropping both team and singles knockout competition this session in order to focus on the league proper.

Outcome

Proposal carried there will be no team, or singles knock out competitions for the 2024/5 session

3. in the absence of team 14 (That's Ball Split) I propose that any remaining games played by other teams against That's Ball Split are played on a team forfeiture as per section **11.1** of the constitution basis

11.1 Forfeiture. If a team fails to bowl any match and has not applied for a postponement as in the Postponement section, then the team attending must bowl all games as if actually contested. The attending team, present to bowl, must bowl within 90% of their own combined league average, excluding handicap.

Outcome

Proposal carried, any team scheduled to play That's Ball Split must bowl under section 11.1 Forfeiture conditions, meaning each bowler must achieve over 90% of their average each game to receive points along with the team total per game and overall total to coincide with the leagues 20 point system

4. We have to confirm with the Centre whether they will allow us to have 13 teams rather than 14, if not we will have to pay the £26 from league funds. If that's the case, we may (needs checking) be able to draw from any monies due to the default team and players.

Outcome

The bowl has given verbal confirmation that dropping to a 13 team payment basis is expectable, just waiting for written confirmation from own at the own..... update to follow
