

## Wednesday Doubles League - Personal Bests

The averages shown below are the final averages for the current players who rolled at least 15 games during the winter season of 2019-2020.

Please note that the Hi-scratch game and Hi-scratch series are the highest rolled in this league since 1993. Players may have held higher averages last season and have rolled higher games/series on another league(s).

New personal best for the winter season of 2019-2020 are shown in **bold**.

Men	2019-2020 Average	High Game	High Series
