Individual h/c challenge matches to be played in parallel with scheduled league fixtures.
 The total of the first series rolled by an individual in a period will be used to decide which player proceeds to the next round.
 If you are drawn against a reserve player who plays only infrequently and he/she does not play before the next round then you will be given a bye.
 Please let the Secretary know if you expect any difficulty in completing your match in time.
 Double elimination:- Winners progress to next round of Winners Section. Losers progress to next round of Losers Section.

Step Ladder Finals:-
Match 1 - Two remaining players in Losers Section will play to decide 4th place.
Match 2 - Winner of Match 1 will play the Loser of the Winners Section to decide 3rd place.
Grand Final - Winner of Match 2 will play the Winner of the Winners Section to decide 1st and 2nd places.
 If the Winner of the Winners' Section loses then a second match will be played, as both Grand Finalists would have only lost one match each at that stage.
